

## Cast Grey Iron Sand Casting Parts Pole Line Hardware Square Washer

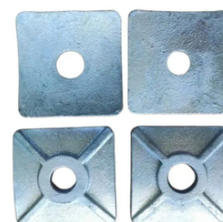

### Our Product Introduction

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6819
- Certification: ISO9001,CE,SGS
- Model Number: 6819
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

## Product Description

### Cast Grey Iron Sand Casting Parts Pole Line Hardware Square Washer

#### Product Details

<b>Investment casting (lost wax casting)</b>	Stainless steel casting Alloy steel casting Carbon steel casting Bronze and Brass casting Aluminum casting
<b>Sand casting</b>	Clay wet sand type Resin sand casting Water glass sand casting
<b>Machining</b>	Drilling, Reaming and tapping CNC Turning machining CNC Milling machining
<b>Heat treatment</b>	Annealing Solution Normalizing Tempering Quenching Induction hardening Hardening and tempering
<b>Surface treatment</b>	Manual polishing Electro-polishing Electro-plating Power coating Tumbling

#### Our Workshop

### About Us

Supreme Machinery is a trusted leader in the casting industry with 25 years of experience. We specialize in producing **ductile iron, gray iron, and vermicular iron castings**, as well as high-precision machined parts for industries such as automotive, rail transportation, industrial machinery, and renewable energy. Production Capacity Casting Capacity: With an annual **production capacity of 30,000 tons** of castings, we can meet both small-batch and large-scale production requirements.

### Quality Control

CMM

Tensile Test Machine

### FAQ

1.Q: What should I offer to get the price?

A: Please provide us with your drawings (material, dimensions, surface treatment, tolerances or other technical requirements), quantities, applications or samples, and then we will provide you with a more accurate and reasonable price.

2.Q: What is your minimum order quantity?

A: We accept small orders, even sample orders.

3.Q: Are you a factory or a trading company?

A: We are a trading company, but with our own factory, we provide you with a one-stop service from mold design to finished parts.

4.Q: What is your delivery time?

A: It depends on your casting size, technical requirements and quantity, under normal circumstances, sample within 25 working days, mass production within 60 working days.
